

RadioActivity 2018

Thursday Evening, June 14 Through Saturday, June 16

RadioActivity, the premier East Coast antique radio meet, will be held at the same hotel as last year—The Sheraton College Park North Hotel in Beltsville, Maryland, located at Exit 29B (Rt. 212) off I-95 between Washington and Baltimore, 4095 Powder Mill Road, Beltsville, MD 20705. The hotel is on the southwest corner of the interchange.

Hotel reservations are *separate* from meet registrations. To reserve a room, call the hotel toll-free at (800) 325-3535 (local number: 301-937-4422). Be sure to specify the Mid-Atlantic Antique Radio Club. For reservations you may also go to the special website for this event, noted on the hotel information section on the last page of this insert. **Hotel reservations must be received by May 23 for the discount rate.** Book early—last year discounted rooms filled up even before the cut-off date! (And, late reservations cost more.) The hotel's special conference rate is \$102 per night, single or double. (Suites are available for an additional charge—contact the hotel for details.) Washington/Baltimore area hotels are expensive, and this is a *very* attractive rate for a hotel of this caliber.

Meet registration is required to participate in the auctions and Old Equipment Contest, attend seminars, and sell in the flea market. The conference name badge provided at the meet should be worn at all times. There is a discount for those who pre-register for the meet, and MAARC members get an additional break. **Pre-registrations must be received by MAARC by May 23 for the discounted rate.** (The registration fee includes your family, but banquet tickets and flea market spaces are extra.) Note that for those who plan to attend **ONLY** on Saturday, there is a one-day registration fee option.

This year's theme is Westinghouse, for which there will be special Old Equipment Contest categories. Mike Molnar will present the banquet talk, "Westinghouse Corporation: A Century of Surprises." Randy Warren will present a seminar titled "Care and Feeding of Your Record Collection." Paul Hart will present a seminar on Hickok tube testers and their calibration. Ed Lyon will present his ever-popular radio repair clinic. On Saturday morning members are invited to attend a member feedback session, where club officers will be there to listen to what you like or don't like about the club, and your thoughts about the club's future.

The registration desk will be open between 6:30 and 7:30 p.m. Thursday night, **but there will be no flea market selling until Friday morning.**

Thursday evening will feature a tube, literature, and ephemera auction similar to those of past years, and there is a distinct possibility that there could also be an estate auction that evening, so plan to arrive on Thursday.

The registration desk re-opens at 6 a.m. Friday, when the flea market also opens. Each flea market space is one standard parking space. The cost for registrants to participate in the flea market is \$15 for the first two spaces and \$10 each for additional spaces. Spaces are not marked and are taken on a first-come, first-served basis. If you and a friend wish to have adjacent spaces, coordinate your arrival times. If you vacate your space, someone else may take it before you return. Sellers must display the flea market registration card where it is visible to buyers.

We strongly encourage attendees to enter items in the Old Equipment Contest (OEC). The contest categories, guidelines, and criteria are listed on pages 2 and 3 of this insert.

The main auction will be Saturday, during which there is a minimum opening bid of \$10 per item. **Those who are not MAARC members will pay a higher auction commission to sell their items (15 percent) than members (who pay only 10 percent).** This is yet another good reason to join if you are not already a MAARC member. At the Thursday evening tube and ephemera auction, the \$10 minimum bid requirement is waived, and there will be no charge for no-sale items, but the commission charges will be the same as at the main auction. Check page 3 for a complete explanation of auction policies.

A no-reserve walk-around auction in the flea market parking area is scheduled for 8:30 a.m. Saturday morning. The auctioneer walks through the parking lot auctioning items from tailgates. No commission will be charged during the walk-around auction and no paperwork will be kept. The buyer pays the seller in cash immediately upon having the winning bid. (The walk-around auction will be held unless the weather makes that impossible.) This is the place to get rid of those boxes of junk or other items that are unlikely to bring \$10 or more in the main auction. But not all walk-around offerings are junk. At a recent RadioActivity, a new-in-the-box type 6T5 tube showed up, and sold for a high price.

Food and drink items will be available for purchase in the flea market area for lunch on Friday and Saturday, weather permitting, as well as breakfast items Friday and Saturday mornings.

The Friday night buffet banquet will feature door prizes. Banquet tickets are \$35 each. (A vegetarian entrée will be included.) A cash bar/social hour precedes the banquet. We anticipate that only a few banquet tickets will remain for sale at the door. Pre-register so you won't miss this event.

MAARC and its officers are not responsible for any accident, injury, or loss that occurs at this meet.

Lazarus Restoration

OEC Contest (continued)

Remember that documentation, especially noting any restoration or repair, and provenance for the item, are essential for an entry to be competitive.

Special Awards

1. Best of Show. The entry that, in the opinion of the judges, best represents the contest criteria.
2. People's Choice. The OEC entry voted most popular by those who view the contest.
3. Significant Historical Merit. The entry(ies) that, in the opinion of the judges, has the most historical significance (for example, first of a kind, extreme rarity, influence on the industry, milestone event, etc.)
4. Preservation Award. Given to the entry that best emphasizes keeping the item original—no modern replacement parts, refinishing, etc.

Special awards 3 and 4 will not be given if the judges feel that no entry meets the criteria.

Contest Guidelines. The OEC judges use the following scoring weights:

- A. [0-20 pts] General Appearance. Is item restored, cleaned, and generally presentable, or just "as-found"?
- B. [0-10 pts] Item Rarity. Not as important as authenticity, but it counts for the item to be relatively hard to find.
- C. [0-20 pts] Authenticity. How much of the item is demonstrably authentic and not modified? Documentation may be crucial.
- D. [0-20 pts] Documentation. Ads, journal articles, books, schematics, news clips, description of historical significance of the item all help.
- E. [0-20 pts] Entrant Effort. How much was done by entrant, based on item appearance and documentation?

Nearby Museums to Visit

(Brochures/maps available at the registration desk.)

National Capital Radio & Television Museum

The National Capital Radio & Television Museum (www.ncrtv.org) is 20 miles from the Sheraton Hotel. The Museum will be open Friday (9 to 4) and Saturday and Sunday (Noon to 4). Admission and parking are free. Exhibits feature radios and television in the home.

National Electronics Museum

The National Electronics Museum (nationalelectronicmuseum.org) is near the BWI Airport, and is open Monday through Friday 9 to 4, and Saturday from 10 to 2. Admission \$5, parking free. Exhibits feature military electronics, radar, etc.

F. [0-10 pts] Qualitative Bonus. The bonus is based on judges' judgment and experience.

Entries (except consoles) must be able to fit on a table and take up no more than 3' x 5' of table space. If your entry requires a display stand, you need to provide it yourself. No mountings may be fastened to the walls. Should the contest room fill to overcrowding, the contest officials reserve the right to limit the number of items submitted.

MAARC's Auction and Flea Market Policies

You may not participate in the auctions as a buyer or seller unless you are registered for the meet. At the main auction (Saturday) there is a minimum opening bid of \$10 per item. Batch inexpensive items in box lots so that each will bring more than \$10. Sell boxes of junk during the walk-around auction Saturday morning. **Items that (in the judgment of the auction officials) are unlikely to sell for at least \$10 during the main auction will not be accepted.** Please limit consignments to antique radio/TV/audio items--no outboard motors! At the main auction, the seller's commission for MAARC members is 10 percent of the selling price, with a minimum of \$1 and an upper limit of \$50. For non-members the commission is 15 percent, and no upper limit. Any item that does not reach its reserve (a minimum selling price) or any item that does not receive the \$10 opening bid will incur a no-sale fee of \$1. While sellers may specify a reserve price, lest we inhibit bidding, we mention the reserve price only in cases where the last bid has nearly reached the reserve, in which case we give the highest bidder an opportunity to up the bid (or let the seller drop the reserve price).

MAARC reserves the right to terminate consignment early if the number of items becomes too large to handle. Otherwise, consignment cut-off will be one-half hour before the start of the auction, at which time all paperwork must be turned in and all items tagged and in the pre-auction room. MAARC also reserves the right to limit the number of items consigned by one individual if the total number of items consigned is becoming too large.

Sellers: DO NOT leave the auction before all of your items are sold! If you consign an item that does not sell, and you leave before the auction ends, the item becomes the property of MAARC and may be sold at a future auction, with the proceeds going to MAARC, or disposed of, as MAARC sees fit.

Registration Desk Hours:

Thursday (14th): 6:30 to 7:30 p.m.
Friday (15th): 6 a.m. to 2 p.m., 5:30 to 6 p.m.
Saturday (16th): 7 to 8, 9 to 10, and 11 to 11:30 a.m. (closed 8-9 and 10-11 a.m.).
